Include a separate section under Part A for each educational institution you have attended.

Institution	
Years attended	
Degree awarded (including classification)	
Dissertation title (if appropriate)	

Summary of research experience and recent publication output:

Write your case for support here...

PART B OPERATIONAL EXPERIENCE:

As a senior practitioner you are expected to provide evidence to support your level of practice, demonstrating a broad range of scope in casework, levels of complexity and depth of knowledge of the subject. In each case documentary evidence must be presented to support your statements.

Putting theory into practice: A minimum of 5 co-authored or sole authored peer reviewed cases. These cases must demonstrate a broad range of expertise and skills. At least 3 of these cases must have been completed to the standards required by the criminal Justice system within which you are working (all 3 cases should be from the same country). If these are co-authored reports the applicant must confirm their roles and responsibilities in the production of the statements and the report.

Write your case for support here...

Developing a broader knowledge base: You should also include for example, evidence of understanding of Health and safety and a demonstrable knowledge of the local criminal justice system (please state which jurisdiction this is). This can take the form of expert witness training, delivery of expert testimony in court, significant interaction with police or other law enforcement personnel and scene experience.

Write your case for support here...

Continual professional development You should detail how this is developing your skills and understanding in Forensic Anthropology, (for example in osteology, human identification, craniofacial anthropology, anatomy, biological anthropology). You should also provide a list with dates of your CPD courses and conferences
